

'Smell Me' & 'Taste Me' Gardens, Fairy Forest and Entrance

Visiting 'Smell Me' and 'Taste Me' gardens, children will have the opportunity to explore a wide variety of garden plants, herbs and vegetables, growing in colourful tyre-planters. Some planters will have a double function as seats/resting/observing area.

At the northern end of the Sensory Garden an area has been reserved for a Fairy Forest.

A built planter replacing the shed, situated at the end of the ramp, can provide a new home to one of the three existing apple trees, with the other two to be located on the other side of the path.
